Object detection	4.75
Text detection	4.75
Both	7.50

¹ Prices shown assume an average of 6 hours of motion events are uploaded per camera per day. If usage exceeds this, Videoloft may increase the price or reduce video bitrate following a discussion with the customer.

² Please ensure there is sufficient bandwidth at the location to support 24/7 recording. Full video will be available to view online only.

³ Additional feature prices are on top of standard subscription plans.
